

APPLIED INSTRUCTION MASTER'S

The **ONLINE Applied Instruction Master's Degree** is for those who desire advanced preparation in instructional areas across varied industries, including K-12 education and those working in other applied educational settings, in the following concentration areas: (1) STE²AM for Early Learners;* (2) Language and Literacy;* (3) Diversity, Equity and Inclusion;* (4) Educational Psychology and Research;* and (5) Exercise and Nutrition Science.

UM's Applied Instruction Program integrates research and current trends into the practical aspects of education, including instructional and program design and evaluation, stakeholder assessment and work with diverse populations.

*These Applied Instruction concentrations have been approved by the Alabama State Department of Education for advanced pay on the educator payscale.
